

Whether you are a returning member, or one of the 30 families who have newly joined, we would like to wish you all a fun and happy summer here at Granite as we celebrate our 50th year!

Sincerely,
Nancy Rose
Volunteer President
Granite Recreation Club

Email News from Planet Granite

"How Do I Sign Up to Receive the Email News Important to Me?"

Don't miss out on any Granite news or updates! The [Planet Granite Mailing List](#) will help keep members in the know this summer! Here's how it works. We have added the email address you gave us on your membership form to our mailing system, so you should be getting these newsletters. Are you? (If you are reading this, you are on the list! Ha! Ha!) Do you know someone who isn't? The [Catch 22](#) is that we don't know if someone is not actually receiving it. If someone is not receiving this, then be a good friend and drop us a line at membership@planetgranite.org. We are only human and might actually have put the wrong address in.

Snackle Shack

Have you checked out the Snack Bar?

While you should automatically be put on the general membership list, you must actually register yourself for the different interest category emails that you would like to receive. The different categories available are:

- Music/Special Events
- Swim Team
- Tennis

Follow the [Planet Granite Mailing List](http://www.planetgranite.org) link to our website www.planetgranite.org to sign up today for the interest categories you want..

Check Out the Website Calendar

"Where Can I Find Out the Latest Info on Granite Activities?"

The [Planet Granite Calendar](#) pages are your source for information about the great Granite Gigs, holiday picnics and other planned activities. Information is added as events are scheduled, so check back often!

Remember to check the website calendar for the "Mighty Marlin" Swim Team for practice times and the swim meet schedule. **The pool closes at 4:00 pm the day of each home meet**, and you are allowed to swim at the pool of our opposing team that day!

Search for the Perfect Slogan

Submit Your Idea by June 14th!

The search for the perfect slogan for our 50th celebration continues! Submit your entry by June 14 to [Carole Donohue](#). The winner will be recognized on July 4th and retains bragging rights throughout the 50th. The report is that there have been many very creative entries!

Slow Down!

"You Move Too Fast, You Got to Make the Morning Last..."

This is a reminder for members and their guests to please use caution and slow down while driving in and out of our parking lots.

- Please be aware that there are daily trains to watch out for while crossing the tracks.
- Remember to come to a complete stop before turning on to Glyndon from our private road.
- The neighborhood speed limit is 25 mph.

Questions, Compliments, Complaints, Suggestions?

We would like to hear if you have any questions, compliments, complaints or suggestions. The volunteer Board can be contacted through membership@planetgranite.org.

Grammie and Anne have stocked it to the gills with all the usual favorites, plus an ever changing variety of homemade treats.

They also have swim diapers, goggles and sunscreen for those who forget or run out! The daily specials will have you ditching your boring PB&J for something much more adventuresome! **Free ice is available to members who supply their own cup.**

Operating Hours

- From pool opening to one hour before closing.
- On **HOME swim meet days**, it will close at 4:00 pm.
