- 3) The reservation calendar will be maintained by the Pool Rental Manager and updated on a regular basis as reservation fees are received and confirmed. Written reservations indicating the nature of the use of the pool or rec. building are required for private parties and are taken on a first-come, first-serve basis by registering with the Pool Rental Manager. Reservations will not be confirmed until a deposit is received. A rental agreement must also be completed at the time the reservation is made. Forms are available at the Pool Sign-In desk or the Granite Website (www.planetgranite.org).
- 4) Facilities may be rented only during the swimming season, Memorial Day weekend thru Labor Day weekend.
- 5) All pool parties must have lifeguards on duty. A minimum of three guards is required for a party size of 50 people or less; a minimum of four guards for a party of 51 to 75 people; and a minimum of five guards for a party size of 76 to 100 people.
- 6) Hourly rate for lifeguards - \$18/hour per lifeguard. The guards should be paid in cash at the end of the party. In the event of cancellation, the guards must be paid for a minimum of one hour if the party is cancelled after they have arrived.

- 11) The use of alcohol will be at the discretion of the member and must be controlled by the member. No underage drinking will be allowed. Absolutely no glass containers are allowed. Kegs, cans, boxed wine and plastic beverage containers are the only types permitted. **The Association will not be liable for any accidents or incidents related to the use of alcohol on the premises.**
- 12) All rentals are for rain or shine (no refunds). In the event of rain, the Recreation Building may be used. All but one lifeguard may be dismissed. One guard must stay to close up pool and building. The Recreation Building must be left in the same condition as found.
- 13) At the completion of the party, the renter is responsible for all clean up and for having at least two individuals available to help the lifeguard(s) close the pool. Whatever the designated closing time for the party is, all guests should be off the Club grounds by that time. Guards **MUST** be paid for any time beyond the designated closing hour. For example, if you have reserved the pool until 10:00 and the pool grounds have not been cleaned up and are not ready for closing until 10:20, the guards should be paid for an additional half hour. The same is true if your guests gather in the parking lot and converse after the closing time, which prevents the guards from closing the main gate to the club. Please remember that

guards may rely on rides to get home or may have other commitments after a party, so sticking to your designated closing time is very important.
