

Granite Marlins Swim Practice Schedule 2022

We are excited for the upcoming 2022 RMAL swim season. With schools being on different schedules this year, we have made some minor changes to our practice times. Please pay attention to the practice times and understand that some changes may be made to accommodate these different schedules.

Registration for the 2022 Season is now open. [Here is the link to register.](#) Please make sure you have all correct information listed when you register for the 2022 season.

A couple of notes:

- All individuals wishing to participate on the team this year are expected to be able to swim the length of the pool without any (or minimal) assistance.
- Once morning practice begins, swimmers are encouraged to attend practice at least once per day. Swimmers may practice in the morning and evening (if space allows).
- We will need parents to volunteer to serve in many roles this year (clerk of course, computer operator, timers, and strokes and turns). No experience necessary, but we can't host a meet without your help. Here is a link to training opportunities available this year.

<u>Practice Groups - Age as of May 31st, 2022</u>
