Additional Payment Information & Important Dates

Payment is required before any member, including children on the swim team, may use the facilities.

- Payments of any kind cannot be accepted at the pool.
- Members not returning are requested to advise the membership coordinator of their decision so that those on the waiting list may be invited to join.

May 15 Deadline: Granite policy requires all members make a commitment as to their intention to renew membership by making a payment by May 15th. Members whose payments are not paid online or postmarked by May 15th will be considered inactive. Membership privileges will be restored only if space is available.

Early Payment Discount: As indicated above, membership dues are \$50 less for any payment that is made online or postmarked on or before May 1st.

Installment Plan: Members may elect to pay in three (3) installments, including a \$25 administrative fee. The following schedule, and associated past due actions, applies for 2022:

- (1) **May 15th** (May 15 Deadline policy applies)
- (2) **June 15th** (\$25 late fee; account suspended after 10 days past due)
- (3) **July 15th** (\$50 late fee; account suspended after 10 days past due)

2022 Updates for Early Payment Discount and Installment Plan: The discount for Early payment has been increased from \$25 to \$50. The Installment plan has been expanded from two (2) to three (3) payments. Both of these changes are on a trial basis to help mitigate the considerable Fee increase and will be reviewed prior to the 2023 season.

Sabbatical: Members who wish to opt out for a summer may pay a \$110 fee by May 15th to put their membership on hold until the following year. Unless otherwise approved by the Membership Director, a sabbatical may only be taken once during a member's involvement with the pool.
